ABOUT THE PROPERTY:

Windsor Park Estates is a unique community of townhomes that are both livable and affordable. These spacious suites were designed to accommodate today's active lifestyles. Our wooded setting and natural environment will make you forget you're just minutes from the Fairlawn and Montrose shopping areas and I-77.

Take a look at our floor plans and see how they will afford you comfortable, spacious living. The suites were planned with you in mind. The two bedroom suites offer you a choice of all electric, or combined gas and electric energy.

Relax with friends and family in our picnic and playground area - great for outdoor activities. Enjoy a relaxing swim in our swimming pool. And if that's not enough, stretch, train and tone your body in our fabulous exercise facility.

This property is a "pet friendly" community, featuring a gated dog park, and both dogs (weight and breed restrictions) and cats are welcome.
